

# Dave's \$100m smile

It's been a big career for Dave Coulter.

In fact, **28 years** with Murray Pest Control has left him with much more than just experience. It has left him with a sense of personal satisfaction.

In his time, he has visited some **9,370** homes, and met well over **15,000** people.

During his career, he has saved South Australian families an estimated **\$107,776,000** in potential termite damage.

And that's the reason for his **\$100m smile**
